VOL. XXXXIII | SONOMA, SONOMA COUNTY, CAL., FEBUARY 12, 1921 | NO. 24

IMPORTANT TRANSFER OF SONOMA REALTY

Old Bonded Warehouse Property Sold by Tivnen Heirs to La Peer and Morton for Creamery and Cold Storage Plant.

The old bonded Warehouse, one of Sonoma's landmarks, and the property adjacent thereto, has been sold by the heirs of the late John Tivnen to H. G. La Peer, of San Francisco and R. L. Morton, of Kenwood. La-Peer is a wealthy business man who made his money in shipbuilding at Seattle during the war Mr. Morton is the recent purchaser of a fine ranch at Kenwood.

The buyers of the substantial old warehouse will completely renovate it, utilizing it for a modern cold storage and creamery plant. A white tile and plate glass front will be put in the building. It is also planned to build a residence on the corner opposite St. Francis church.

Mrs. Clara Tivnen Hirsh was here from San Francisco Monday to close the deal.

VIOLATED THE STATE DAIRY LAW

Henry Masciorini, who resides below this city, was arrested on Monday by Constable R. D. Rassmussen on a charge of violating the state dairy laws, and he appeared before Judge Gallagher later in the day. Masciorini plead guilty to the charge and paid a fine of $50.—Petaluma Argus.

MRS. PARENTI LOSES $1250

Mrs. Louis Parenti, 1250 Powell street, reported to the police yesterday that while returning to her home from the downtown district Monday night she either lost or had stolen from her a handbag containing money and jewelry amounting to $1250 in value. She did not discover her loss until she reached her home. —S. F. Chronicle.

NEW MANAGEMENT OF HOTEL CHAUVET

Charles Foley has taken over the management of the Hotel Chauvet. Mr. Foley should make a genial host and is wished much success by his friends here and in San Francisco.

Dr. L. B. Lawson, optometry specialist of the Lawson-Rinner Optical company, Santa Rosa, will be at Simmons' Pharmacy Monday, Feb. 14th. New lenses for your old frames, or new frames for your old lenses.—Adv.

Do you know why it's toasted

To seal in the delicious Burley tobacco flavor.

LUCKY STRIKE CIGARETTE

Manufactured by The American Tobacco Co.

NEW GRILL AND OPEN AIR PAVILION AT FETTERS

The new grill annex and open air dance pavilion at Fetters has been completed and the management of the same token over by Harry Fine of Verano. Mr. Fine has been manager of Parente's for the past year, and has made many friends in the valley who will accord him splendid patronage and wish him much success. Light lunches and beverages will be served at the new annex. The cuisine will be presided over by Miss Inez Ross, whose skill as a caterer is well known, and whose personality has won her many friends.

The new improvements at Fetters will undoubtedly add new laurels to the popularity of Sonoma Valley's big resort.

CHILD LAID TO REST HERE

Eugene Lounibos, little six-year-old daughter of Emile and Bertha Lounibos, of San Francisco, died in that city last week and was laid to rest here on Saturday in the famly plot. The beloved child was a niece of Mr. and Mrs. H. Chauvet of Glen Ellen, and a sister of Adele Bouvier, Emile, Dorothy and Elizabeth Lounibos.

GOLD DISCOVERED AT BOYES SPRINGS

With oil discovered at Caliente and gold discovered at Boyes Springs, Sonoma valley bids fair to be famous. Chas. Preble of Boyes Springs killed a duck which had been ambling around Woodleaf Park of late and in its gizzard was placer gold. Preble is going to explore the goldfields and stake out a claim.

BOYES FIRE ENGINE ONLY ONE OF KIND IN U. S.

The new chemical fire engine to arrive for the Boyes Springs department on March 10th or 12th will be a model, the only one of its kind in the United States. It carries three 45 gallon tanks of chemical. The American La France company built it to order and will have it photographed for their new catalog. It's cost is over $4,000.

Geo. Carpenter has reported to the deputy sheriff the disappearance of his new Ford car, loaned to one McAvoy, who decamped with "Lizzie." A description of the car and its owner has been sent to all officers in this vicinity.

JOE WHITE'S BROTHER HERE

Steve White of Santa Barbara surprised his brother, Joe White, of Verano, this week by dropping in for a little visit. Steve has the million dollar White smile and has been enjoying his stay in "the Valley of the Moon."

Big Water Merger Pending Would Furnish Domestic And Irrigation Needs

R. L. DURHAM OF SAN FRANCISCO HAS OPTIONS ON THREE PROPERTIES, INCLUDING EMPARAN SYSTEM.

The interesting and important announcement was made this week that R. L. Durham of San Francisco had perfected his plans for the merging of three water systems in Sonoma valley into a big new company which would supply the town and valley with water for domestic and irrigation purposes, the new concern to be known as the Sonoma Valley Water and Irrigation company. An option on the Sonoma city water works, owned by Mrs. Emparan and Mrs. Maria Cutter, an option on the Sonoma Vista water system, a deed to the O'Brien ranch, now in escrow, and the reorganization and transfer of the Sonoma Valley Water, Light and Power company above El Verano to the new company are the important features of the new move to give Sonoma valley a highly developed water system. Everything is in readiness for presentation to the railroad commission, which will be asked for a permit to issue stock after valuating the consolidated properties.

It is planned to completely rehabilitate the distributing system of the old water companies so that fire protection with the water under natural high pressure may be assured. Dams and reservoirs are to be built and springs highly developed under the new plan, set forth in detail by Mr. Durham as follows:

To the people of Sonoma and vicinity:

The following are accomplished facts concerning the merger of the water systems of Sonoma and vicinity:

1. An option has been taken for the purchase of the Emparan system.
2. An option has been taken for the purchase of the Sonoma Vista Water company system.
3. A deed to the O'Brien property is now in escrow, so that the passing of control of the water supply from this property is an assured fact.
4. I have acquired a heavy interest in the Sonoma Valley Light and Power company, which company is to be re-organized under the name of the Sonoma Valley Water and Irrigation company.

Plan of Re-organization

Application has been made to the railroad commission for permission to consolidate these four properties under the reorganized company and for permission to bond all of the properties for the purpose of building a dam on the O'Brien and water company's properties at the junction of Lennox and Carriger creeks for storing the surplus run-off of this water shed in the winter and for storing the perpetual run-off from the springs, and for improving and extending each and all of the systems. The improvements will consist of the following:

1. A rockfil dam with a concrete facing on the water side. Of the various heights of the dam called for by the estimates made by our engineers there are three under consideration for present uses; one at 68 feet, which would give a water line at 353 feet elevation above Sonoma and store 64,419,000 gallons of water; one at 88 feet which would store 166,770,000 gallons, and one at 95 feet which would store 215,375,000 gallons. The height of dam finally selected will depend upon the additional amount of water that can be used now, as explained later in this article.
2. Enlarging and cementing the water company's reservoir so as to give increased and reliable storage capacity.
3. Replacing all faulty pipe, installing larger mains and extending the same.
4. Enlarging the present lake on the upper portion of the O'Brien property so as to give 20,000,000 gallons storage capacity for emergency purposes.
5. Developing the springs on the O'Brien propertyand close on the water company's property, so as to get the maximum run-off.

A careful survey of these properties made by the well known hydraulic engineer, Mr. Fred H. Tibbetts of San Francisco, shows that the average annual run-off from rainfall from the wter shead on the O'Brien and the water company's properties for a period of thirty years was 1,137,960,000 gallons. This does not include the run-off from springs. Accurate measurements of the springs' run-off taken over a period of three years shows an average run-off at the springs at the springs of 73,000,000 gallons a year. It is believed that by further development this run-off can be doubled.

The three pumping plants taken over have an annual capacity of 126,970,000 gallons.

Summarized the total water supply would be in gallons:

Maximum run-off from water shed	1,137,960,000
Annual run-off from O'Brien Springs	73,000,000
Possible development of springs	73,000,000
Pumping plants	126,970,000
	1,410,930,000

The above facts and figures show a great water supply for domestic use and irrigation. It is only a question of utilizing this water. Throwing these small independent and struggling companies with their indefinite supply and unreliable service under one operation strongly financed is the only logical solution of the water situation here.

Arrangements are practically concluded for the immediate sale of the bonds as soon as they are authorized by the railroad commission, and construction work will begin at once so as to make this water available for this summer if possible. The only thing that is asked now of the citizens of Sonoma and vicinity is to put in their applications for water. It is necessary to know at as early a date as possible how much additional water for either domestic consumption or for irrigation will be taken.

The higher the dam the cheaper it can be built in proportion to the water stored. The 95-foot dam would give an adequate supply for all present domestic and irrigation purposes. With increasing demand this dam can be enlarged so as to store water to meet the future demand. The people of this community who need water can greatly help this enterprise by letting us know how much water they want at present. If you want to extend your chicken business or increase your orchard or alfalfa or truck-gardening acreage, we can furnish you with a dependable supply. There will be no worries about wells going dry in the summer, as the storage in the reservoirs and the perpetual run-off from the springs removes all uncertainty, while for domestic use there will be a regulated pressure that will be constant and sufficient, and also sufficient for fire protection. A printed form of application has been prepared; a capable representative is in the field, and we now ask that customers of any of these systems who desire additional water fill out one of these applications, and that those who are not at present using water but desire to be connected with this sytem fill out an application, giving the probable amount of water they will use during the year. These applications are binding only upon completion of the dam and delivery of water. It is therefore requested that all who desire water should either call on Mr. J. Gordon Clark at the office of Mr. O. R. Wagner, at Sonoma or notify him to call upon them.

One further feature I believe will be of interest. The City of Sonoma has voted bonds to pave the principal streets. To do our share in the general improvement of the city, a bona fide offer will be made to the city trustees to furnish the city for ten years free water for the purpose of beautifying the plaza.

Signed R. L. DURHAM.

W. Chester has been working out the above plan for some months past and succeeded in interesting San Francisco capital in the merger. The sudden turn last week in the court action of Tierney vs. Chester et al, for all moneys alleged due Tierney for services as superintendent of the Sonoma Valley Light and Power company, was a forerunner of the new deal and reorganization under R. C. Dunham Tierney will be asked for an accounting in court and the compensation declared due him from the company will be determined.

The Sonoma Valley Water, Light and Power company has gone through many vicissitudes since organization by the late L. L. Lewis, but under the ambitious and new plan to make it the nucleus of the big merger it promises to enter the bussiness arena as a decided factor in Sonoma valley's upbuilding, provided Mr. Dunham's plans are realized and the people will lend their co-operation and get behind the project.

The Emparan water system, which dates from General Vallejo's time and is the source of supply for Sonoma city, was offered the people as a municipal proposition some years ago after valuation by the railroad commission at a price of $30,700. The proposition failed to carry at an election held to acquire it. The Dunham people have an option on the entire Emparan acreage, with the exception of the old Vallejo home and a few acres adjacent thereto. The option is for 90 days and the price set for the water works and ranch is said to be something like $58,000. The O'Brien's are to receive $50,000 for their ranch and water rights, retaining no part of the property, even for residence purposes.

MRS. BURRIS' WILL IS FILED FOR PROBATE

The will of the late Mrs. Julia Ann Burris was filed in the superior court for probate by Jesse Burris, of Sonoma, yesterday. Dated July 8, 1912, it is witnessed by R. A. Poppe and Charles Hill, both of Sonoma.

Property estimated to be valued in excess of $10,000 was owned by the deceased, consisting of large tracts in Sonoma, Tulare, Fresno and Kings counties.

Jesse Burris, the petitioner, is named as executor.

According to the terms of the will the property is to be divided share and share alike by the eight children.

The will names a 50-acre tract as the home place in Sonoma, two tracts aggregating 1200 acres in Fresno county; two dozen town lots in Traver, Tulare county, and 1080 acres in Kings county.

The regular meeting of the Methodist Ladies' Aid will be held in the church parlors on Thursday afternoon, February 17. A cordial invitation is extended to all the friends of the society to be present.

Mrs. C. Maffei, mother of the prominent family, has been quite ill but is now reported improving.

Mr. and Mrs. James McCosker of Vineburg were presented with a fine young son last Sunday. If a chip off the old block, that boy will be a mighty hunter some day, so James' friends predict.

Mr. and Mrs. Emile Andrieux are here from Richmond visiting relatives. The curtailment of the working force at the Standard Oil plant lost Emile the good job he had held for some time past.

Mr. and Mrs. Clyde Johannsen have a pretty baby girl born at their home in Vallejo. Mrs. Johannsen was the former favorite singer, Miss Ethel Small, of Eldridge. The new baby makes Mr. and Mrs. Ed. Johaansen grand parents for the first time.

RECEPTIONS TO NEWLYWED COUPLES

Following their meeting Thursday night the Rebekahs and Odd Fellows gave a reception to Mr. and Mrs. Archie Revie of Santa Rosa. The young couple were felicitated on their recent wedding and hospitality reigned supreme.

The Congregational folks gave a surprise party to Henry Watters and bride Thursday night.

IN THE MARKET TO BUY GRAPES

The attention of grape growers is called to the ad of Conforti and Laurenzi in another column. Vineyardists who had dealings with this firm last season were well pleased with the prices offered and the prompt payments made by Mr. Conforti and his partner.

WHITE SHELL CLUB COMPLIMENTS NEWLYWEDS

The White Shell club and friends gave a reception Wednesday evening at I.O.O.F. hall to Harry Burrows and bride, recently arrived from London. Mr. Burrows formerly resided at ElVerano but has now taken up his residence in Napa. A hearty welcome was extended the young couple, the bride winning the hearts of all with her charming personality.

Dancing, including the old Virginia reel, cards and a banquet, with toasts and speech-making, were the order of the evening, and all had a delightful time, the White Shell club always proving splendid hostesses.

Mr. and Mrs. Will Cummings of Eureka have returned home with their daughter, who has been very ill in San Francisco. Mrs. Cummings is a sister of Theodore Kiser of this place

Mrs. H. Bridges spent last week-end in San Francisco and Oakland.

GIVING CRIMINALS A CHANCE - TO CONTINUE CRIME

With all the adverse sentiment to parole and probation, prison boards and judges continue to indulge themselves in humanitarian experiments with as indifferent success as formerly. They seek to justify by figures their action and tell the public that giving criminals a chance is the salvation of erring ones and saves them to society. They fail to recite the failure, the result of bringing criminals into contact with the youth of the country and many indirect disadvantages of the maudlin arrangement to reclaim those with a criminal taint. They fail to explain why the victim of the criminal is not considered a little more deeply and society in general against whom an effront to law and order is directed, instead of the offender and his redemption, usually taken for granted to be hopeless, but, nevertheless, repeatedly tried.

Where disposition of criminal cases are without accurate and detailed facts, and generalities and appearances only obtain, there may be some excuse for the mistake of judges. But where a case may be examined at close range and there is a plea for clemency for a criminal, there should be no mistakes. Flagrant mistakes, however, continue to come to light Right here at home in our own Sonoma county the criticism concerning the probation of the drawing room crook and bad check man, who some time ago victimized a Sonoma valley family, and was nabbed while again playing his game, has been quickly justified. As was predicted, this smooth but despicable crook lost no time in again breaking his parole and continuing his natural crooked methods. Why subject society to continued victimization at the hands of this gentry? The case here referred to cannot be excused, as the man had a record all to the bad, and one which showed that he had been given and thrown away a chance to make good and was only asking another chance to continue crime.

Our officials will have to steel themselves against the pleas of all such ilk if crime is ever to be controlled in this country. More severity and less sentimentality is demanded and due the good citizenship of America.

SONOMA WIDOWER TAKES A BRIDE

Henry Watters, Sonoma journalist, and formerly bookkeeper for I. Duhring, was married at Santa Rosa last Saturday to Mrs. Nora Deane Watters, a widower 60 years of age, claimed as his bride the 29-year-old widow of the late Chas. Deane, Vineburg rancher. The couple returned to Watters' home here following the ceremony. The bride's two children and sisters are making their home with the newlyweds. Both are prominent in Congregational church circles, where the romance had its inception. Mr. Watters is a deacon of the church, his bride one of the choir.

C. Conforti, the grape buyer, has been down in Fresno and Los Angeles contracting for grapes. Before leaving here he contracted a well known Vineburg vineyard and its grapes for $75 a ton.

United States Shipping Board

EMERGENCY FLEET GORPORATION

OFFERS FOR SALE

STEEL AND WOOD SHIPS

AND WOOD HULLS

Bids will be received on a private competitive basis in accordance with the Merchant and Marine Act at the office of the United States Shipping Board, 1319 F Street N. W., Washington, D. C.

The ships offered for sale include steel vessels and wooden steamers.

The steel steamers are both oil and coal burners. The Board has established a minimum price on these vessels.

Terms on Steel Steamers.

10 per cent of the purchase price in cash upon delivery of the vessel. 5 per cent in 6 months thereafter; 5 per cent in twelve months thereafter; 5 per cent in 18 months thereafter; 5 per cent in 24 months thereafter; balance of 70 per cent in equal semi-annual installments over a period of ten years; deferred payments to carry interest at the rate of 5 per cent per annum.

The two hundred and eighty-five wooden steamers for sale are of ten different types, as follows: Nine Daugherty; seventeen Ballin; ten Peninsula; six Pacific American Fisheries; one Allen; one Lake and Ocean Navigation Company; thirteen McClelland; one hundred and eighty-six Ferris; thirty-one Hough; eleven Grays Harbor. Also have a number of wooden hulls of various types.

Terms on Wooden Steamers.

10 per cent cash on delivery. Balance in equal semi-annual installments over a period of three years.

Bids may be submitted for one or more vessels or for any combination of above vessels, and must be accompanied by certified check made payable to the United States Shipping Board for 2½ per cent of amount of the bid.

Further information may be obtained by request sent to the Ship Sales Division, 1319 F Street N. W., Washington, D. C.

The Board reserves the right to reject any and all bids.

Bids should be addressed to the UNITED STATES SHIPPING BOARD, WASHINGTON, D. C., and indorsed "BID FOR STEAMSHIP (Name of Ship)."

Ship and Sail Under American Flag.

MONTALDOS WOULD LIKE TO BE BACK IN SONOMA

L. Montaldo, the Sonoma valley dairyman and rancher, who went to Italy early in the spring with his family to visit relatives and attend to business in the old country, would like to be back in California. Mr. Montaldo has written that he found conditions so entirely different from what he had anticipated that he could not get his affairs settled in the six months he had expected to remain, so he therefore will stay abroad several months longer. His family do not like it there and long to be back in Sonoma valley.

Mr. Montaldo says in his letter: "During my visit here this country has passed through one of the most critical periods of its history. There has been all kinds of unrest, although now there seems to be a better outlook for the future." He sends his regards to all his Sonoma friends.

NOTICE TO THE PUBLIC

My wife, having left my bed and board, I will not be responsible for any debts contracted by her after this date.

Signed,
LEWIS L. JONES.

HILLS BREAK THEIR AUTO HEADLIGHTS

Mr. and Mrs. Robert Potter Hill, of Eldridge, recently broke the two headlights of their auto while traveling over the Sonoma road from their home to this city. This will demonstrate to some extent the awful condition into which the Sonoma road has been allowed to deteriorate. When an auto traveling over the road is jarred so much as to break the headlights in the machine, it is certainly time some one got busy.—S. R. Republican.

SWEET SIXTEEN AND A BRIDE

Miss Anita Chelini, attractive 16-year-old daughter of A. Chelini, was married to Enrico Castagnasso, of a prominent Sonoma family, on Tuesday, by Rev. Father Byrne. The bride's father gave his consent when the license was issued. The ceremony took place at St. Francis church, with Mr. and Mrs. George Chicazola as attendants.

The young people are receiving hearty congratulations.

POSTMASTER M. F. MULLEN RETIRES AFTER 30 YEARS

After 30 years faithful and active service as postmaster at El Verano, M. F Mullen, the pioneer resident of that place, has retired. Old residents recall that Mr. Mullen's title of postmaster was conferred upon him, as it was strictly a case of the job seeking the man. In his customary conscientious way, however, he assumed the duties cheerfully and faithfully executed all these years the trust reposed in him by Uncle Sam. Post office inspectors invariably gave him the highest commendation, and it was with regret that they accepted his resignation. His son, Emmett, the well known El Verano merchant, is his successor, and will, no doubt, send out and receive the mails with neatness and dispatch.

The Mullens have had the satisfaction of seeing the E verano office grow from about fourteen lock boxes and that many call boxes to over 100, which in these days of added rural delivery service is some growth. More power to you, El Verano!

WOULD ABANDON HOME FOR ABANDONED WOMEN

A bill has been introduced by Assemblyman Carlton Green in the legislature at Sacramento to abandon the Farm for Delinquent Women purchased at Buena Vista and now being made ready for the inmates. Economy and doubt as to the results to be obtained by appropriating big sums for the experiment inspired the new measure.

AND NOW THEY ARE "WISHING" IT ON US

Hello, Healdsburg! We do not know where you got the following dope and assure you it is real news to us. However, Editor Murphy is leaving for Washington, D. C., today, and you never can tell what one might do if a plum fell off a tree.

"Down Sonoma way another Editor is out after a job as postmaster. W. L. Murphy, editor of the Index-Tribune, desires to succeed Postmaster Wagnon of that city. Editor Murphy is not going to take any chances, either, and he will go to Washington to join in the cheers that will greet Harding when he steps out onto the front porch for the inaugural ceremonies. And when he returns from Washington, Editor Murphy plans to bring credentials that will assure him of the place as postmaster of Sonoma."—Healdsburg Tribune.

FINE NEW SEDAN FOR DR. F. H. PHILLIPS

Dr. F. H. Phillips has taken delivery of a wonderfully beautiful new Olds Four sedan, this being the first sedan of the Olds Four model to be received here, and the second car of the make and model, and it is a genuine sensation.

ARTHUR YOUNG BREAKS PROBATION

Arthur Young, who was brought back here after a bad check charge for which he was held in prison in San Francisco to face a former warrant for victimizing a prominent Sonoma family, and who was recently admitted to probation by a Sonoma county judge, is again in trouble. He broke his probation, officers here having been notified that he has issued more spurious checks and is wanted in Southern California.

ABRAHAM LINCOLN STATUE UNVEILING AT U. of C.

With simple and befitting ceremony the University of California will unveil the bronze head of Abraham Lincoln on February 12, the one hundred and twelfth anniversary of the birth of the great American.

Through the generosity of Ralph W. Kinney of Piedmont, a granite pedestal for the head has been secured. The statue is the work of the American sculptor, Gutson Borglum. The pedestal is to be designed by Professor John Galen Howard, director of the School of Architecture of the University of California.

Lincoln has been a character of special appeal to Borglum. The statue to be unveiled at the university stands three feet above the pedestal and is one of the sculptor's finest studies.

Miss Annie Laurenzi is enjoying a trip to the south and over the Mexican border.

HARD TIMES SERPENTINE BALL

The Ro-Cara-Pasa club which gave such a successful confetti ball here last Hallowe'en, will give its second dance on Saturday night, February 26, at the Woman's clubhouse. The young men members of the club promise novel and delightful stunts to all who attend, with a harmony jazz band and special decorative features. Cards and refreshments will also be in order. Haster Ring, F. Canevari and others of the popular young set have the affair in charge.

GLOVE FACTORY DISMANTLED

One of Sonoma's war time industries disappeared Tuesday when the California Glove company of Napa dismantled its branch factory in the Masonic block. Army mits were made there during the war to fill big government contracts.

LAKEVILLE ROAD TO BE IMPROVED

Roadmaster Charles Pronini of Lakeville, accompanied by John L. Paula, prominent Lakeville rancher, made a trip to Sonoma this week where they conferred with Supervisor Lowell in regard to the improvement of the Lakeville road, which at the present time is impassable, owing to the continued rains of the recent storms.

Roadmaster Pronini was given the privilege of making repairs at once, and will rock and gravel the road, making it possible for autos and teams to travel over the thoroughfare. Ranchers who have attempted to drive over the road have mired to the bed of their machines in the mud. Pronini will start work next week if the weather permits, and will soon have the road passable.

BENEFIT FOR EUROPE'S STARVING LITTLE ONES

On Wednesday and Thursday evenings, the 16th and 17th of February, the familiar and well beloved play, "Shore Acres," with Alice Lake in the leading role, will be given at the Don theatre for the benefit of the starving children of Europe under the auspices of the Sonoma Valley Woman's club. We sincerely hope this community will do its bit toward this world wide appeal.

COMMITTEE.

FERRY PROJECT WELL RECEIVED BY BUSINESS MEN

The Sonoma Business Men's association listened to a splendid and spirited talk last Monday evening by Harry S. Speas president of the new Golden Gate Ferry company. The project, as outlined by Mr. Speas, was very well received and created much enthusiasm among the large audience present. The outlook as a result of the new ferry service is extremely good for this section, where the auto transportation problem has retarded growth for some years past.

Mr. Speas and his associates are also interesting themselves in a completion and development of our highways.

J. M. Hibbard is representing the Golden Gate Ferry company here and is to canvass the valley for the sale of stock.

It was pointed out to the Business Men's association that the more people who financed the new concern the more widespread would be the interest in it. It is a business proposition highly endorsed, and the success of it is vital to the welfare of the north of bay counties.

NEW RATE FOR BULLETIN

The price of the San Francisco Bulletin according to the new rate effective February 1, 1921, is $8 per year, $4.20 for 6 months. With the Index-Tribune $9 for the two papers. $5 per six months.

Where Is the "Deficit?"

"No appropriation should be considered where the need is not urgent."
—Message of Governor Stephens to the 1917 Legislature.

The people voted in November additional State costs totaling $18,000,000.

Governor Stephens in his message to the 1921 Legislature declares:

"....It is because of this voluntary action of the people themselves that the financial difficulties referred to have arisen."

Let Us Consider the Facts

State officials estimate our income for the next two years at $67,000,000

Charge up against this the 1919-1921 budget, which was $47,000,000, and add the $18,000,000 voted by the people for the next two years. The total is 65,000,000

We still would have left in the treasury 2,000,000

Two million dollars left after paying every cent the people of California ever voted to pay.

Two million dollars left after paying every state expense at the rate we had to pay when costs were higher than they will be again for many years.

Two million dollars left, after re-appropriating in full for the vast burden of "unnecessary duplications and unnecessary waste" which Governor Stephens admits now exists in the State Government.

Two million dollars left, after we Californians spend for our State government twice as much as the average citizen of other states.

Who Wants This Money?

Yet Governor Stephens declares "it is because of the voluntary action of the people themselves that the financial difficulties referred to have arisen."

Governor Stephens goes further. He goes $15,000,000 further.

After we have paid every dollar that we paid in 1919-21, and after we have paid every dollar that we voted to pay at the November elections—after we have provided a surplus of $2,000,000 for emergencies, Governor Stephens calls for $15,000,000 more.

Other states are economizing. Illinois in one year has reduced her governmental costs $2,500,000.

Yet California State officials call upon the people for $15,000,000 above all amounts previously spent or now authorized.

Already California is spending vastly more than her sister States which are reducing their budgets. The per capita government costs for actual running expenses(as distinct from interest and new investments) are shown by the 1919 U. S. census report to be as follows:

Average for all states,	$5.16
Illinois,	3.48
California	7.76

These Things Are True

The people have created no deficit, and there is no deficit.

The extra $15,000,000 now demanded by state officials is over and above all appropriations ever made in the past and all new expenses authorized by the people. **No increase of any tax rate is necessary.**

Ask your legislator to demand that the State live within its income.

"The Power to tax is the power to destroy"

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

VINEBURG NEWS

Mrs. Ellis Vernon was the guest of friends and relatives in the Metropolis and bay cities this week.

Mesdames E. Bartoli, Henry Anselmi and Miss Dorellis Breitenbach, accompanied by Master Allen Leiser, all of Sonoma, were visitors at Batto's Spur on Tuesday.

Chas. Groskopf, now employed in Petaluma, was the guest of his charming wife and young Native Son this week-end.

Among the arrivals at Batto's Spur this week was a 40-ton carload of choice milo maize in bulk from Kansas City, the first carload of bulk grain that has arrived in Sonoma valley.

A bright young Native Son arrived on Sunday last to gladden the hearts and brighten the home of Mr. and Mrs. James McCosker at their residence on the Napa road. Mother and child are doing nicely.

Ethel Eastlake is in trouble and she says that the Box Car Improvement club are "a mean bunch," for when they heard that the Tea club was going to erect a club house on the corner of Goo Goo avenue and Starlight way, they decided to change the names of the streets to "Shin-bone alley"and "Jumping Judy street." Poor Ethel!

Miss Elizabeth McDevitt, one of Sonoma's prettiest little rays of sunshine, was the guest of her aunts and cousins on Thursday afternoon.

Fred Batto transacted business in Petaluma on Wednesday.

A pleasant birthday party was tendered to Mr. Louis Martin at his pretty residence at Vineburg an last Sunday evening. The spacious parlor and dining room were prettily decorated for the occasion, the colors pink and white prevailing. The occasion was also the wedding anniversary of Mr. and Mrs. Al. Finck, of Oakland, who were guests at the Martin home. The guests were received by Mr. and Mrs. Martin, and among those present were Dr. and Mrs. Miller of San Francisco, Mr. and Mrs. Al Finck, Oakland, Mr. and Mrs. E. Forni and their three charming young daughters, Misses Florence, Leola and Dolores, of Vineburg.

The evening was passed in vocal and instrumental music, games, etc., and our marshal, Mr. Forni, beside being a master mechanic and a fearless officer is also an accomplished musician, and during the evening rendered a number of choice artistic selections on the accordeon. An elaborate dinner was served, prepared by Mrs. Martin, and the table was surely an epicurean dream of culinary art. Every one enjoyed themselves to their heart's content, and all departed wishing Mr. Martin and Mr. and Mrs. Finck many happy returns of the day.

SUMMONS

FELICE PAGANI, Plaintiff,

vs.

MRS. LUCY BOX, SAMUEL P. BOX, W. I. BOX, JAMES A. BOX, R. F. BOX, SECURITY SAVINGS BANK JOHN DOE, MARY POE, AND also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the Complaint, adverse to plaintiff's ownership, or or any cloud upon plaintiff's title thereto, Defendants.

Action brought in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma. KELLOGG & KYLE, Santa Rosa, California, attorneys for plaintiff.

The people of the State of California send greeting to: MRS. LUCY BOX, SAMUEL P. BOX, W. I. BOX, JAMES A. BOX, R. F. BOX, SECURITY SAVINGS BANK, JOHN DOE, MARY POE, and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the Complaint, adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You, and each of you, are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after service on you of this Summons, if served within said Sonoma County, or within thirty days, if served elsewhere.

You, and each of you, are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or said plaintiff will apply to the Court for any other relief demanded in the complaint.

And you, and each of you, are hereby notified that this action is brought to quiet the title of plaintiff to, and to determine all adverse claims to, and clouds upon the title to the following described real property, situate, lying and being in the County of Sonoma, State of California, and more particularly described as follows, to-wit:

COMMENCING at the Northwest corner of Block "A", as numbered and designated on the map entitled "Map of South Los Guillicos, Sonoma County., California", filed in the office of the County Recorder of Sonoma County, California, February 28, 1890, and recorded in Book 5 of Maps, page 3, Sonoma County Records; thence North 48 degrees 15 minutes East, 4.58 chains; thence North 44 degrees, 45 minutes West, 25.18 chains to a point which is the point of beginning of the tract being described. Thence, from said point of beginning, North 42 degrees, 30 minutes West, 35.43 chains; thence North 47 degrees, 30 minutes East 31.95 chains; thence South 42 degrees 30 minutes East, 3.03 chains; thence North 47 degrees 30 minutes East 45 links; thence South 42 degrees 30 minutes East 32.40 chains; thence South 47 degrees 30 minutes West, 32.40 chains to the point of beginning, containing 114.65 acres, more or less; being the same land also sometime described as follows: Commencing at a redwood stake standing about six inches Northeasterly from the dwelling house formerly owned by Mrs. Lucy Box, from which a black oak tree two feet in diameter marked with a blaze and two notches bears South 35 degrees West distant 1.39 chains; thence South 42 degrees 30 minutes East 32.40 chains to a stake; thence South 47 degrees 30 minutes West 32.40 chains, from which a white oak tree marked with three notches bears South 17 degrees 45 minutes West, distant 1.41 chains; thence North 42 degrees 30 minutes ~~West 35.43~~ chains; thence North 47 degrees 30 minutes East 31.95 chains to the highway; thence South 42 degrees 30 minutes East, along the highway 3.03 chains; thence North 47 degrees 30 minutes East 45 links to the place of beginning.

TOGETHER WITH all and singular the tenements, easements and appurtenances there unto belonging, or in anywise appertaining.

Given under my hand and the seal of the Superior Court of the County of Sonoma, State of California, this 13th day of October, 1920.

(SEAL) W. W. FELT, JR., County Clerk, By F. C. Thompson, Deputy Clerk.

CLUB NOTES

The regular business meeting of the Sonoma Valley Woman's club was held at the Club House February 4th with a large attendance present. The trustees presented the members with their annual report. Hereafter the American Legion will hold their meetings at the club house once a month.

The card party given in January netted nineteen dollars above all expenses. A committee was appointed consisting of the following members: Miss Stofen, Mesdames Wicker and Appleton, to arrange a program at the Don theatre to aid the starving children of Europe. This will take place on February 16 and 17

The following were elected to membership: Miss A. Burt and Mrs. A. Anderson.

The primary election was held on this day and the following were elected to fill the offices for the ensuing year, unanimously: president, Mrs. Pearl Hunter; vice-president, Mrs. Harriet Clewe; treasurer, Mrs. Ella Woodworth; corresponding secretary, Miss Meta Stofen; recording secretary, Mrs. Carrie Burlingame; Civic Section, Mrs. L. Emparan; Music Section, Mrs. C. G. Murphy.

At the next business meeting on March 4th the following members will be voted on for the position of trustees: Mesdames Adler, Hayes, Poppe, Wicker and Appleton. There are to be three elected to the office of trustee.

The next social afternoon will be on Friday, February 18th, with Mrs. Clara Johnson as hostess and Miss Burchard in charge of the program.

MAUD STEIN, Club Reporter.

Julius Panerazi announces another dance and Ravioli supper at Glen Ellen next Saturday night, Feb. 19th, which will be good news to all those who like to "step out."

BACHER VS. BERNARD CASES DECIDED

In the cases of Bacher vs. Bernard decided this week at Santa Rosa nominal damages were awarded Bacher in the damage suit and Bernard ordered to make good a $50 cow on the replevin suit.

As aftermath of the cases, a witness, Mrs. C. F. Richley, caused a warrant to be sworn out last Monday charging J. L. Bernard with disturbing the peace of her husband. The Richleys had been witnesses against Bernard at Santa Rosa, hence the trouble. Judge Small fixed Bernard's bail at $50 on the latter charge.

MURPHY GOES TO WASHINGTON

W. L. Murphy, publisher of the Index-Tribune, left today for Washington, D.C., where he will spend several weeks. Mr. Murphy expects to be present at the inauguration of President Harding.

REALTY DEALS OF WEEK

The M. Goodman place of 6 acres at El Verano, equipped for a chicken ranch, was sold this week to F. H. Elliott and wife, of Santa Rosa.

It is reported that the McIntosh-Shaw ranch at Buena Vista has been sold through the agency of O. R. Wagner.
